Unless otherwise exempted through having achieved Level 5 or above in English Language in the Hong Kong Diploma of Secondary Education Examination, or equivalent.

** Students without DSE Extended Module 1 or 2 should take MATH1011 (as free elective) before taking MATH1853; for other qualifications, please refer to 2025-26 Student Handbook.

&& UG5(e) requirement – Successful completion of any other non-credit bearing course(s) for fostering students' whole-person development

@ Double-counting of the 3 FBE Core Courses (ACCT1101, ECON1210, & FINA1310) is only confined to the combination of "major-major". Students will be required to take an equivalent number of credits of free electives in lieu of these overlapped courses. Students are advised to seek endorsement from FBE on the replacement courses (i.e. 18 credits of free electives in lieu of ACCT1101, ECON1210, & FINA1310).
