

# Tam Wing Fan Innovation Wing

---

FACULTY OF ENGINEERING

---

## About the Logo

- ♦ The logo is rendered by the stylized letters “T” for Tam, “W” for Wing, “F” for Fan, “i” for Innovation, and “W” for Wing.
- ♦ The logo mimics the impossible objects by M.C. Escher, thus modeling innovation.
- ♦ The dot outside the impossible cuboid also depicts thinking out of the box.
